Others Present:

A quorum was present.

In regard to the request from Lindsey Catallenello, resident of 1545 N. Joliet Street for a No Parking zone at the intersection of N. Joliet and Walnut, Alderman Crane reported that he has been in contact with all neighbors in the area that could possibly be affected if no parking were to be added. He stated that it seems things have settled down. Residents with vehicles that were causing part of the issue have made efforts to move their cars so the bus can navigate more easily. Alderman Crane stated that he spoke to the petitioner, Lindsey Catallenello, and she, too stated that it seems as if things are better. Alderman Crane reached out to the bus company to see if they could adjust their route, but had not heard back.

The committee stated that the issue will be considered resolved at this point with no action being taken.

The meeting was adjourned at **6:17 p.m.**
